- Great example!!
- Has her name, the date, and what the name of the event is.

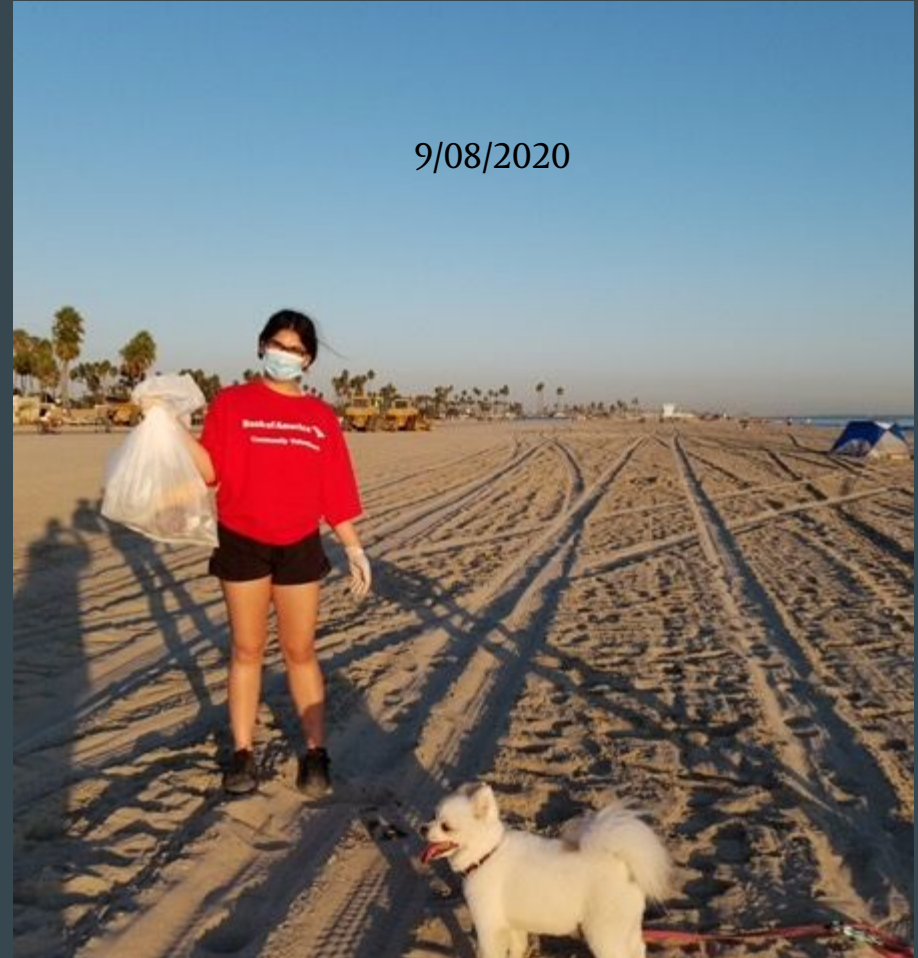

Examples of Proof

- Photo of herself at the actual polling station with her “I Voted” stickers!!!
- Another good option would include:
 - A selfie of you in line at the polling station for in person voting
 - A photo of your actual ballot with your name (no need to show address or inside of ballot)
 - Text message saying that your ballot was received and is being tracked.
- If you didn't get to vote, you will get points if you worked at a polling station
 - Just send in a picture of you at work, or a picture with the volunteer binder you were provided.

Examples of Proof

- Shows that she she clearly performed some sort of service
- Socially distanced, wearing her mask, etc
- Date was provided with the photo
- For community services, it can be hard to show proof of time spent, so just try your hardest to be as specific as possible and ask questions if you're unsure.
 - Just not at the last minute >:(

If you're struggling to get points....

- First, don't panic and refer back to our [first meeting ppt](#)
