

AGS MEETING #3

# Fall Conference

How was it?

# HOW TO SUBMIT POINTS

- Please DO NOT submit your points until you have completed all of them
- What you need
  - COMPLETED Point sheet
    - Which can be found here:  
<https://eccags.files.wordpress.com/2020/09/ags-service-point-sheet-2-2.pdf>
    - Note: point breakdown on sheet is inaccurate,
      - for blue members it is 2 points from AGS/ campus, community service, and meeting attendance
      - For silver members it is half of that, 1 from each category
  - All proof of virtual attendance
- Once you have all of that email everything to [ags.cabinet.ecc@gmail.com](mailto:ags.cabinet.ecc@gmail.com)
  - Please try to email all documentation as PDFs or JPGs
- Point sheets will not be accepted after 12/7/2021 (our last meeting!)

# What counts as proof?

- For online workshops: screenshots with your name, date, and workshop event
- For in person service/ events: a picture with you participating, with the date the activity was performed
  - This date is to help keep track of what event this picture is for.
- This is some criteria for proof. It doesn't include every type of proof. If you are wondering if your proof counts please ask before the due date
- Also if you want to be sure that there is nothing wrong with your point sheet, you can send it in before the day its due, similarly to your applications and I will do my best to give you feedback as soon as I can

If you are  
missing points

- Check our first meeting powerpoint on our website!
  - <https://eccags.files.wordpress.com/2021/09/fall-2021-first-meeting-presentation.pdf>
- Also feel free to ask if your event or community service counts!
  - We don't have a list of everything that counts just suggestions and examples

# Next and Final Meeting

When: December 7th, 1:15pm

In case you forgot, it's also the due  
date for your point sheet
